

**GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF HEALTH**

Senior Deputy Director
for Health Care Finance

**Medical Assistance Program
Transmittal No: 03-38**

TO: All District of Columbia Transportation Providers

FROM:  Wanda R. Tucker
Interim Senior Deputy Director
Medical Assistance Administration

DATE: SEP - 8 2003

SUBJECT: Transition of D.C. Specific Local Codes to HIPAA Compliant Codes

The Medical Assistance Administration (MAA) is required to achieve compliance with the Health Insurance Portability and Accountability Act's (HIPAA) mandated transaction standards, code sets and identifiers by October 16, 2003.

MAA had devised many local codes for the District's Transportation providers to accommodate special needs and circumstances; however, the HIPAA transactions, code sets and identifiers rules do not permit the use of local code values after October 16, 2003. MAA has cross-walked all active Transportation local codes to standard codes.

To assist the District's Medicaid Transportation providers with the transition to standard codes, MAA has enclosed an Addendum that provides a crosswalk between the current local codes and standard codes. Additionally, the proposed transition from local codes to standard codes will not change the current reimbursement payment(s) for the District Medicaid Transportation providers.

Please note that, effective September 30, 2003 MAA will discontinue the use of current local codes for the Transportation providers. Medicaid claims submitted by the District of Columbia Transportation providers for services rendered on or after October 1, 2003 should be submitted using only the standard codes.

If you have any questions or need additional information regarding this transmittal, please call MAA's Fiscal Agent, ACS State Healthcare's Provider Relations Inquiry Desk on (866) 752-9233.
